

*Staff to Hold Office Hours for Constituents Seeking Assistance*

*Washington, DC* - Beginning May 25, 2010, a Federal Liaison from Congressman Maurice Hinchey's (D-NY) office will hold "mobile office" hours in Waverly and Owego. On the fourth Tuesday of each month, constituents will have an opportunity to ask questions, receive advice and attain assistance in dealing with federal agencies.

"I am thrilled to announce that residents of Waverly, Owego and the surrounding areas will now have a chance to meet and work directly with members of my staff without having to travel to the Ithaca or Binghamton district offices," said Hinchey. "One of my primary jobs is to help those having trouble with a federal program or agency. These 'mobile offices' will go a long way toward ensuring that the resources and assistance I can provide are available to everyone in our congressional district."

Hinchey's office handles thousands of casework issues every year. From helping veterans attain the benefits they've earned to assisting seniors with Medicare and Social Security issues, members of Hinchey's staff are capable of addressing a range of problems that constituents frequently encounter when dealing with federal agencies. Hinchey's office can also help small businesses locate grants through the Small Business Administration, help taxpayers solve IRS problems and help secure nominations for admission to our nation's prestigious military academies.

While no appointment is necessary to receive assistance during mobile office hours, constituents of the 22nd Congressional District may call Hinchey's Ithaca district office at 607-273-1388 to reserve time.

Mobile Office Hours have been scheduled for May 25th:

1:00pm - 3:00pm: Barton Town Hall, 304 Rt 17C, Waverly, NY

4:00pm - 6:00pm: Tioga County Office Building, 56 Main Street, Owego, NY

## **Hinchey Announces New "Mobile Office" for Waverly and Owego**
